TEACHER RESOURCE

Indiana Academic Standards Connections

Indiana Junior Historical Society Podcasting Project—*Hoosier PastCast*

as of January 2010

Academic standards connections are based on the Indiana Department of Education Academic Standards as of January 2010.

Social Studies 3.1.5—Create simple timelines that identify important events in various regions of the state.

Social Studies 3.1.6—Use a variety of community resources to gather information about the regional communities.

Social Studies 3.1.8—Write and illustrate descriptions of local communities and regions in Indiana past and present.

Social Studies 4.1.15—Create and interpret timelines that show relationships among people, events, and movements in the history of Indiana.

Social Studies 4.1.17—Using primary and secondary sources and online source materials, construct a brief narrative about an event in Indiana history.

U. S. History 9.2—Locate and analyze primary sources and secondary sources related to an event or issue of the past.

U. S. History 9.5—Use technology in the process of conducting historical research and in the presentation of the products of historical research and current events.

Technology 2.1—Students use hardware and software components and understand the use of input and output devices.

Technology 4.1—Students use technology as a tool to enhance learning and creativity. Students are ableto use technology to increase productivity in developing modes, publications, and other creative devices.

Technology 4.5.1—Students use a combination of text, sounds, images, video, and animation to produce presentations and projects.
