Explanation for "Name Index to *The Hoosier Genealogist*, Volume 43"

The following index contains every name that was published in volume 43 of *The Hoosier Genealogist* (*THG*), a quarterly journal regarding family history in Indiana. Indexes for prior volumes of *THG* appear in the *Indiana Source Book* series, published in book format by the Indiana Historical Society (IHS). The indexes for volumes 1 through 3 of this series, which cover selected articles from the 1961 through 1979 issues of *THG*, appear in *Index to Indiana Source Book, Volumes 1 through 3*. Subsequent volumes of the *Indiana Source Book* contain selected material from *THG* issues along with every-name indexes, according to the following schedule:

Indiana Source Book, vol. 4—1979 through 1981 issues of *THG*
Indiana Source Book, vol. 5—1982 through 1984 issues of *THG*
Indiana Source Book, vol. 6—1985 through 1988 issues of *THG*
Indiana Source Book, vol. 7—1989 through 1990 issues of *THG*
Indiana Source Book, vol. 8—1991 through 1992 issues of *THG*

Starting with *Indiana Source Book, Volume 9*, which contains the index for the 1993 through 1994 issues of *THG*, the series contains entire volumes of *THG*, rather than selected articles. Copies of the series through volume 10, which contains the index for the 1995 through 1996 issues of *THG*, may be purchased through the IHS Basile History Market: Phone, (800) 447-1830; Fax, (317) 234-0562; Online, http://shop.indianahistory.org/.

The IHS Press is currently preparing the final volumes of the *Indiana Source Book* series. Volume 11 will contain the index and 1997 through 1998 issues of *THG*, and volume 12, the final volume in the series, will contain the index and the 1999 issues of *THG*.

In 2000 (volume 40 of *THG*), the IHS began selling single copies of its family history journal through the Basile History Market. Therefore, the IHS Press is discontinuing the *Indiana Source Book* series after volume 12. Beginning with the index for volume 40, all indexes for *THG* issues will eventually be available by volume on the Society's Web site, http://www.indianahistory.org/.

The index below is alphabetized, and the number refers to a page number in *THG*, which is paginated throughout a volume. For example, the first issue in volume 43 of *THG* contains pages 1 through 68, and the second issue contains pages 69 through 136. The legend for the page numbers that are in each issue of *THG*, volume 43, appear in the contents section above and below for quick reference:

THG, vol. 43, no. 1, Spring 2003: pp. 1–68
THG, vol. 43, no. 2, Summer 2003: pp. 69–136
THG, vol. 43, no. 3, Fall 2003: pp. 137–204
THG, vol. 43, no. 4, Winter 2003: pp. 205–272
