

## Research Request Form

The Library charges a research fee for any non-instructional reference assistance that will take more than 15 minutes of research consultation time. The research fee is \$25.00 per hour (\$20.00 for members, students, teachers, and nonprofits). The first hour must be prepaid and mailed with this completed form. Members receive up to one hour of research at no charge. This charge is for staff time involved in attempting to answer your request through sources in our library and includes up to 10 copies at no additional charge. Additional photocopies are .35 cents per page (.25 cents for members, students, teachers, and nonprofits). Please indicate below the maximum number of photocopies and hours you are willing to spend on the request. Checks or money orders can be made to the Indiana Historical Society. We can not guarantee results to your inquiry and no refunds will be provided if information is not found. Please consult Reference Services, Copies and Fees for additional information.

### Warning Concerning Copyright Restrictions

The copyright law of the United States governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish photocopies when the material is to be used for private study, scholarship, or research. If a researcher makes a request for, or later uses a photocopy or reproduction for purposes in excess of this "fair use" that researcher may be liable for copyright infringement.
