

## DEFUR VORAN LLP

DeFur Voran LLP was founded in 1906 in Muncie, Indiana when Adolph Silverburg and Leonidas Bracken formed a partnership for the practice of law. From its early beginnings handling probate, litigation, collections and insurance matters for a few clients, the firm has grown significantly. With offices in Muncie, Indiana and Fishers, Indiana, they now serve clients throughout Central Indiana with a full array of comprehensive legal services. The firm's practice now encompasses matters in small business and corporate law, estate planning and administration, employment law, litigation, health law, education law, finance and banking, mediation, real estate, taxation, employee benefits and retirement plans, commercial and bankruptcy and intellectual property. The lawyers and staff of DeFur Voran strive to meet and exceed our clients expectations. We work hard to be responsive to our clients needs and maintain the excellence in service they have come to expect.
